ACADEMIC HEALTH SCIENCE NETWORK

YOUR AHSN NEEDS YOU!

The West Midlands Academic Health Science Network leads, catalyses and drives co-operation, collaboration and productivity between academia, industry, health and care providers and commissioners, and citizens, and accelerates the adoption of innovation to generate continuous improvement in the region's health and wealth.

Please tell us what you think of our work by taking a few minutes to fill in our confidential survey.

Closing date: 16 September 2016
