

What is **INTELLECTUAL PROPERTY**?

WMAHSN Masterclass: Intellectual Property
Thursday 27th October 2016
10am – 12pm
MTIC, 4 Greenfield Crescent, Birmingham, B15 3BE

This free-to-attend two hour session will aim to give attendees an overview of intellectual property, looking at the different forms of intellectual property, its protection, how it applies to your ideas and how MidTECH can help you take those ideas forward. The session will have interactive elements and will also include guest speakers who have worked with MidTECH in the past.

Learning Outcomes:

1. Understand what we mean by Intellectual Property
2. Understand how to protect your intellectual property rights
3. Understanding your options

What are my options. Can I share the risk?

How can I **PROTECT** my **IDEA** when collaborating?
